

Dear Janna

Thank you for helping make 2019 such a successful horse show season at Westar Farms. Equestrians from the disciplines of hunter, jumper, dressage and eventing enjoyed competing under mostly sunny skies at 14 events from the end of April to the middle of September.

Competition levels ranged from grass roots - the Development Show series, with many riders participating in a horse show for the first time, to the Bronze and Silver shows, for regional and provincial competitors, on up to the national level Gold dressage show held in August.

Always looking to provide the best experience for participants and spectators, we offered the first 3-Day Trillium (Silver) Hunter Jumper shows this year. Doing so allowed for shorter competition days and the addition of some special classes for extra fun for riders.

Participation was up at all levels of competition with Derby Day Bronze Show, held in September, boasting the highest number of entries on record for a Bronze show in the Ottawa Area.

As sponsors, you contribute to the popularity of the many events by offering generous prize money, great prizes and sponsorships that help us to enrich the horse show experience and enhance the venue. The thing we hear time and time again is what keeps people coming to Westar is the great horse show facility and friendly atmosphere. We hope you'll join us again next year as we expand our offerings with the addition of another Gold dressage show and more ways to provide the best horse shows possible.

Thanks so much for all the magazines and subscription vouchers! B

Yours truly,
Jeff & Bridget
